Welcome to the University of Pavia

Incoming Student Orientation
Harvey Course First Year
a.y. 2020/2021
All the useful infos year 1 students need to know!
University of Pavia

- Advancing knowledge since 1361
- Before
  - the discovery of America
  - the invention of the battery
  - Any of the world wars
- Rich tradition of education
  - +20,000 students & 900 professors
  - 20 university colleges
Harvey Medicine

- Established in 2009
  First English language medicine course in Italy
  Currently 11 other English programs
- The new Harvey curriculum
  Compact pre-clinical studies 2 years
  Moving towards written exams
  Improved teaching and transparency

William Harvey
1578-1657

Validation

You may be given credit for courses taken at previous universities

Submit your request complete with proof (syllabus, transcript of records with grade) to: harveycourse@unipv.it + submit form to the students secretary

For evaluation, you will be asked to take a short multiple-choice test

The result of this test will be your grade

Infos and form at http://www-7.unipv.it/harveymedicine/validation/
Validation

• Basic Science (Chemistry and Physics) : January 24, 2021
• Living Molecules (Genetics, Biology and Biochemistry) : January 24, 2021
• Scientific Foundations of Medicine: January 24, 2021
• The validation tests will be held in the following week
