  - Precision Medicine 3 CFU
  - Nanotechnologies in Medicine 1 CFU
  - The disabled patient 2 CFU
  - Evolution and Medicine (Genetics 2 CFUs, Medical Genetics 2 CFUs) tot. 4 CFU
How do CTA work?

Fourth year:
Electives are proposed under the label CTA, provided with a code.
CTA fourth year are worth 2 CFUs
In that CTA «box» you can include any relevant activity of choice, such as seminars, medicine lectures, conferences on specific medical issues ...
How do CTA work?

- **Fifth year**: no CTA present in the plan of study
How do CTA work?

● Sixth year:
Electives are proposed under the label CTA, provided with a code
CTA sixth year are worth 4 CFUs
In that CTA «box» you can include any relevant activity of choice, such as seminars, medicine lectures, conferences on specific medical issues ...
How CTA are registered?

✓ You have then to submit proof of attendance to the Dean’s Office (*Segreteria di Presidenza*)

✓ An appello will be created in the Esse 3 system for the final registration of CTA

✓ The Dean of the Harvey Course will register the elective as a no-mark exam
Can I add extra credits for CTA?

- Yes, you can, but

since they are not included in your plan of study, those credits are in excess

→ Thus, you will have to ask the students secretary to add the extra CFUs by specific request
